Dear Freedom of Information Officer:

This is a request under the federal Freedom of Information Act, 5 U.S.C. 552.

Please send me copies of travel and expense reports for all situations in which the lodging, travel, food, entertainment and other expenses for the following officials were paid for or reimbursed by non-governmental sources during 1982, and thus far in 1983.

Specifically, I need the date and a description of the situation, the dollar amount of the payment or reimbursement and the full name of the non-governmental source of the payment. If this information is contained in travel and expense vouchers, then copies of the appropriate vouchers would be sufficient.

The officials regarding whom I request this information are:

-William Casey, Director - 2 requests in Term book  
T-83-0143 & F83-0502

25X1

-Stanley Sporkin, General Counsel One request in Term book: F83-0143

F-102

Please also send me copies of reports containing detailed descriptions of all gifts received by these specific individuals, or by the commission as a whole. I need a description of each gift, the date it was received, and the full name of the donor.

Enclosed is a separate request for copies of the 1983 financial disclosure reports filed by the aforementioned individuals. If the disclosure statements include all of the information requested, I will not require travel and expense vouchers.

The FOIA provides for waiver of fees if disclosure can be considered "primarily benefiting the general public." I intend to use the requested information for a planned broadcast. Therefore, I request that you waive all fees.

Please notify me before you fulfill the request if my application for waiver is denied, so that I may appeal the decision,

If you have any questions, please contact me at   
I look forward to receiving your reply within ten business days, as required by law.
